

Levels of Care

HouseWorks' dependable Caregivers can be there when you can't. Our services grow with you as your needs change – from a few hours a week to 24/7 live-in care.

HouseWorks provides BetterCare at Home™ for all stages of aging.

Companion Care

Extra help for day-to-day tasks to help older adults lead a more independent lifestyle. Examples of services include transportation, meal preparation, help with errands and household management, participating in doctor's appointments, and accompanying clients to social activities.

Personal Care

Help with Activities of Daily Living, such as dressing/grooming, medication reminders, meal prep, doctor appointments, and more. Our Caregivers incorporate Activities of Better Living™ into each day to keep older adults engaged in activities they love, such as working on puzzles, arranging visits with friends, or setting up video-chats with family.

Specialty Care

Expert care that focuses on safety and enhancing quality of life for patients who have been diagnosed with stroke, ALS, Parkinson's, dementia and Alzheimer's.

Live-in Care

Assistance around the clock, including during the night for older adults who wake up frequently and need attention.

Palliative/End-of-Life Care

Collaboration with the client's entire healthcare team to support quality of life, promote health and safety, manage the household and create a sense of calm at end of life.
